10<sup>th</sup> minute – here we are !

- CIGRE is a great organisation carrying out some good work – but we need to tell people about it.
- We have a developing NGN and they are the future !
- We have and can run successful conferences  
SEAPAC, CIDER, NGN seminar, CIGRE Tutorials
- We have an international reputation for punching above our weight and are well regarded internationally

- **Some times you have to do the hard things first**
  - **Keep perspective and enjoy the ride !**
