

5th Global Next Generation Network Presentation Showcase at CIGRE Paris Session 2022

Who: All CIGRE National Committees (NCs) (and individual CIGRE members from countries that do not have a National Committee)

Candidate Eligibility:

- The candidate must meet his or her NC criteria for NGN membership (if the candidate is from a country that does not have an NC or an NGN group, the candidate must be under age 35, as per CIGRE's definition of an NGN member)
- The candidate's work must not be based on a paper already submitted/accepted as a regular Session Paper.
- The candidate's work must align with a Paris 2022 Preferential Subject ([https://www.cigre.org/userfiles/files/Events/2022/CIG-S49-2volets-CFP-15\(2\).pdf](https://www.cigre.org/userfiles/files/Events/2022/CIG-S49-2volets-CFP-15(2).pdf)).
- The candidate must be a member of CIGRE either as an Individual I, Individual II, or Student Member. The candidate cannot be covered by a Collective membership.

Submission Process:

- Each NC can submit up to four candidates with a maximum of one per Study Committee
- Nomination Materials:
 - A draft of the candidate's presentation slides
 - A full paper prepared by the candidate (maximum of 10 pages)
 - A completed one-page supporting information form

Selected Candidates Receive:

- 10 minute presentation slot at discussion session in Paris, for the respective Study Committee
- Space at poster session in Paris, for the respective Study Committee
- Paper included in the 2022 Paris Session Proceedings
- Free 2022 Paris Session Registration

Submission Deadline: **24 January 2022**

A formal invitation and detailed guidelines for the event will be made available in early September 2021.
